Axon & Fotokite partner to offer autonomous tethered drone technology in US & Canada

25.08.2020 An exclusive partnership between Fotokite and Axon gives public safety teams instant access to aerial situational awareness on any scene with real-time video streams fed directly into Axon's Evidence.com and Axon Aware platforms, directly from the Fotokite Sigma.

Axon (Nasdaq: AAXN), the global leader in connected public safety technologies, today announced a partnership with Fotokite, a service provider of actively tethered Unmanned Aerial System (UAS) solutions and public safety software tools, to provide their products and services as part of the Axon Air program.

This exclusive partnership will enable Axon's law enforcement customers to view live-streamed footage within Axon's digital evidence management solution, Axon Evidence. The Axon Air
