

New opportunities for greater sustainability

Good morning

We're pleased to provide you with our brief and compact quarterly overview of the technologies developed by the Swiss entrepreneurs in our portfolio.

Simone Riedel Riley
Head of Technology Fund Management Agency

New companies in the Technology Fund portfolio

The Technology Fund has received 455 applications for loan guarantees since late 2014. The Technology Fund portfolio currently includes **106 innovative Swiss companies** that make a valuable contribution to reducing greenhouse gas emissions in accordance with the CO₂ Act. **Loan guarantees amounting to CHF 184 million** give these companies access to attractive bank loans. The Fund currently has a **total of CHF 350 million** available to grant as loan guarantees.

Congratulations!

We wish the exciting new additions to our portfolio further success in the future. Read the [short profiles on our website](#): ecocoach, Feesuns, Scan Trust AG, Yova AG,

Pioneers

What our portfolio companies say.

Freesuns

“The Technology Fund was a perfect partnership for Freesuns as a cleantech start-up. It helped us focus on finalizing our plans for growth and unlocked the investment we need to get started. We are already seeing results as we show the world how sustainable energy generation can be powerful, beautiful, simple and profitable.”

John Morello, Founder and CEO

Sulzer Schmid Laboratories AG

“The Technology Fund has not only provided us with financial backing in form of guaranteed loans, but through their vast network we have also engaged with potential new investors. The cooperation brings us continuous benefits and we are thankful for having such a supportive partner on our side.”

Rea Meisinger, CFO
